

V-CAN Logistics Solutions Pvt. Ltd.

KEY FACTORS

- * **V-Can Logistics Solutions Pvt. Ltd.** is a young, dynamic and growing company focussed into one stop logistics solutions & services to exporters in India. Our head office is based in CBD Belapur, Navi Mumbai, India.
- * Our team is blessed with rich experienced professionals having more than two decades of hands-on experience in the shipping and logistics services, especially in Mumbai, Nhava Sheva, which is our core strength.
- * This has always enabled us to give away utmost best services to our customers, as such, we are par ahead than any other service provider in this field.

OUR FOCUS

- * We provide end to end logistics service to exporters in India. Entire Logistics solutions are handled under one roof by our in-house departments which do cater for a value added services to our customers.
- * Our diverse range of service include Warehousing, Transportation, customs clearance, Container stuffing-Movement & freight forwarding.

* Warehousing :

- We, **V-Can Logistics Solutions Pvt. Ltd.**, are able to offer warehousing facilities for its clients at major cities & seaports. Many customers choose and show interest for the warehouse service of the same logistics partner which allows easy access to process orders and distribute products quickly and more-over cost effectively.

* Transportation :

- We have our own fleet to meet transportation need of our customers which do always ensure timely pick up / repositioning / movements of containers from / to locations. Own fleet arrangement do always enhance logistics co-ordination.

* **Customs Clearing :**

- Our customs clearing team is well versed with all the customs formalities in the area of cargo handling, expediting clearance of customs document in order to arrange the documents let for exports. Our transport department do expedite transportation need of cargo handling movements.

* **Container Stuffing & Transportation :**

- We have dedicated space arrangement with few of the CFSs near to gate way ports in Nhava Sheva. This arrangement cater for dock stuffing / on-wheel cargo stuffing need of our clients timely and effectively. Our well established liaison with CFSs, all the Gateway Terminals, Shipping lines, helps us to make an indelible impression in the market.

* Freight Forwarding :

- We provide service of sea freight forwarding. From our vast experience, we have gained an expertise in rendering whole-some freight forwarding services from India across the globe. Backed by expert team members and strong network we ensure timely dispatch of consignments via Sea.
- We possess sound knowledge of dealing with varied demands of the customers related to handling of consignments. We are reckoned for our commitment, fair business, and rich experience.
- Our well connected network and potential to deal with shipping requirements have made us a reckoned service provider of sea freight forwarding company. We cater to our customer's specific needs, economically and reliably.

- * Our slogan is “**believe in service**”. We guarantee a qualitative service to our customers and they too always experience this difference. Fore-mostly, our Philosophy is “ **Protect the customer’s Interest**” and customer’s satisfaction is always an applause to us.

We remain,

Thanking You.
